1. PARTIES & PURPOSE

This Enterprise Software as a Service Agreement (the "Agreement") is entered into and made effective as of June 18, 2026 (the "Effective Date"), by and between:

AlphaCloud Technologies Pvt. Ltd., a corporation organized and existing under the laws of India, having its principal place of business at Suite 502, Tech Park Phase II, Bangalore, Karnataka, India (hereinafter referred to as the "**Vendor**"); and

Nova Retail Solutions Ltd., a Fortune-500 level corporation organized and existing under the laws of India, having its principal place of business at Nova Corporate Towers, Level 14, Sector 5, Mumbai, Maharashtra, India (hereinafter referred to as the "**Customer**").

Vendor and Customer may collectively be referred to as the "Parties" and individually as a "Party."

Recitals

WHEREAS, Vendor is engaged in the business of developing, hosting, and providing cloud-based enterprise retail management and distribution software-as-a-service platforms;

WHEREAS, Customer operates a large-scale global retail enterprise and desires to obtain access to and use Vendor's proprietary cloud-based retail platform to optimize its supply chain and store operations;

WHEREAS, Vendor agrees to provide such cloud services, together with implementation, support, and maintenance services, and Customer agrees to purchase and pay for the same, subject to the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants, promises, and considerations set forth below, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

2. DEFINITIONS & INTERPRETATION

2.1 Definitions

As used in this Agreement, the following terms shall have the definitions assigned to them below:

- "**Affiliate**" means, with respect to any entity, any other entity that directly or indirectly Controls, is Controlled by, or is under common Control with such entity, where "Control" means ownership of more than fifty percent (50%) of the voting shares or equity interest.
- "**Authorized Users**" means those employees, agents, independent contractors, and consultants authorized by Customer to access and use the SaaS Platform on behalf of Customer.

- **"Customer Data"** means all electronic data, information, files, text, images, or other materials uploaded, stored, submitted, or processed by or on behalf of Customer or its Authorized Users within the SaaS Platform.
- **"Documentation"** means the standard technical user manuals, operational guides, and release notes provided or made available by Vendor to Customer regarding the operation and use of the SaaS Platform.
- **"Intellectual Property Rights"** means all patents, copyrights, trademarks, trade secrets, service marks, design rights, database rights, know-how, moral rights, and all other intellectual property or proprietary rights worldwide, whether registered or unregistered.
- **"SaaS Platform"** means Vendor's proprietary cloud-based retail management software application, including any updates, modifications, upgrades, or derivatives implemented during the Term.
- **"Service Level Agreement" or "SLA"** means the performance commitments, metrics, and service standards provided by Vendor as specified in Schedule B of this Agreement.
- **"Subscription Fees"** means the recurring fees payable by Customer to Vendor for access to and use of the SaaS Platform, as detailed in Schedule A.

2.2 Interpretation

Unless the context otherwise requires, headings are for convenience only and do not affect interpretation; the singular includes the plural and vice versa; and "including" means "including without limitation." In the event of a conflict between the main body of this Agreement and any Schedule, the main body shall prevail unless the Schedule explicitly states an intention to override a specific section of the main body.

3. SUBSCRIPTION SERVICES & RIGHT TO USE

3.1 Grant of Subscription Right

Subject to the terms and conditions of this Agreement and timely payment of the applicable Fees, Vendor hereby grants to Customer and its Affiliates a non-exclusive, non-transferable (except as permitted under Section 20.4), worldwide, fully paid-up right and license during the Term to access, execute, and use the SaaS Platform solely for Customer's internal business operations. This subscription right extends to the number of Authorized Users and facilities set forth in Schedule A.

3.2 Restrictions on Use

Customer shall not, and shall ensure that its Authorized Users do not: (a) modify, reverse engineer, decompile, or disassemble the SaaS Platform; (b) copy, frame, or mirror any part of the platform other than for standard browser caching; (c) lease, rent, sublicense, or resell the services to any third party; or (d) access the SaaS Platform to build a competitive product or service.

3.3 Availability & Hosting

Vendor shall host the SaaS Platform on secure infrastructure managed by enterprise-grade cloud hosting providers (e.g., AWS, Microsoft Azure, or Google Cloud Platform). Vendor guarantees that the system infrastructure will be maintained in accordance with market standards, complying with the availability and performance metrics set forth in Schedule B.

4. IMPLEMENTATION & ONBOARDING SERVICES

4.1 Scope of Work

Vendor shall perform the implementation, configuration, data migration assistance, and onboarding services (collectively, the "Implementation Services") specified in an executed Statement of Work or as outlined generally in Schedule A. Vendor will perform these services in a professional and workmanlike manner using qualified personnel.

4.2 Acceptance Criteria

Upon delivery of the completed configuration, Customer will have a period of fifteen (15) business days ("Acceptance Period") to test the SaaS Platform to ensure it conforms substantially to the functional specifications outlined in the Documentation. If the SaaS Platform conforms, Customer will issue a written acceptance notice. If it fails to conform, Customer shall notify Vendor with specificity, and Vendor shall have ten (10) business days to rectify the non-conformities at no additional charge, after which a final Acceptance Period of five (5) business days shall apply.

5. SERVICE LEVELS & SUPPORT TERMS

5.1 Uptime Commitment

Vendor warrants that the SaaS Platform will achieve an uptime availability of ninety-nine and nine-tenths percent (99.9%) during each calendar month of the Term, excluding Scheduled Maintenance. The calculations and service credits applicable to any failure to achieve this target are set forth in detail in Schedule B.

5.2 Maintenance Windows

Scheduled Maintenance shall mean any maintenance conducted between the hours of 00:00 and 04:00 IST on Sundays, or other hours mutually agreed upon in writing. Vendor must provide Customer with at least forty-eight (48) hours advanced electronic notice for any standard scheduled maintenance, and at least six (6) hours notice for any urgent or emergency patching.

5.3 Technical Support

Vendor will provide technical support twenty-four hours a day, seven days a week (24x7x365) to Customer's designated IT administrators. Support requests shall be categorized by severity level, and Vendor shall respond and resolve issues within the timeframes mandated in Schedule B.

6. CUSTOMER RESPONSIBILITIES & ACCEPTABLE USE

6.1 Account Security

Customer is responsible for maintaining the confidentiality of all login credentials, user identifiers, and passwords assigned to or created by Authorized Users. Customer agrees to notify Vendor immediately upon becoming aware of any unauthorized access, compromised credentials, or breach of security related to the SaaS Platform.

6.2 Data Quality and Legality

Customer retains exclusive ownership of and sole responsibility for the accuracy, quality, integrity, legality, and reliability of all Customer Data. Customer warrants that it possesses all necessary rights, licenses, and consents required to collect, upload, and process Customer Data within the SaaS Platform without violating any third-party rights or applicable privacy regulations.

6.3 Acceptable Use Policy

Customer shall use the SaaS Platform in strict compliance with applicable laws. Customer shall not use the platform to store, transmit, or link to malicious code, trojans, worms, or viruses, nor shall it use the platform to transmit unlawful, defamatory, or infringing materials.

7. FEES, INVOICING, & PAYMENT TERMS

7.1 Fees Structure

Customer shall pay Vendor the Subscription Fees and Implementation Fees set forth in Schedule A. All fees are fixed for the Initial Term of this Agreement and may only be adjusted upon renewal subject to the caps detailed in Section 18.2.

7.2 Invoicing and Due Date

Vendor shall invoice Customer annually in advance for Subscription Fees, and milestone-by-milestone for Implementation Fees as outlined in Schedule A. All undisputed invoices shall be payable by Customer within thirty (30) days from the date of electronic receipt of a valid, itemized invoice.

7.3 Taxes and Levies

All fees stated herein are exclusive of applicable indirect taxes, including Goods and Services Tax (GST), value-added taxes, sales taxes, or withholding taxes. Customer shall be responsible for paying all such taxes legally levied on the transaction, excluding any taxes based on Vendor's net income or corporate property.

7.4 Fee Disputes

If Customer disputes any portion of an invoice in good faith, Customer shall notify Vendor in writing within fifteen (15) days of receiving the invoice, specifying the basis for the dispute. Customer shall pay all undisputed portions

when due. The Parties shall work collaboratively to resolve the disputed amount within fifteen (15) days of such notification, during which time Vendor shall not suspend services.

8. CONFIDENTIALITY OBLIGATIONS

8.1 Definition of Confidential Information

"Confidential Information" means all non-public, proprietary, or sensitive information disclosed by one Party ("Disclosing Party") to the other Party ("Receiving Party"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Customer Data is explicitly deemed the Confidential Information of Customer. Vendor's software architecture, object code, source code, and security assessments are deemed the Confidential Information of Vendor.

8.2 Non-Disclosure and Use Restrictions

The Receiving Party shall: (a) protect the Disclosing Party's Confidential Information using at least the same degree of care, but no less than a reasonable degree of care, as it uses to protect its own confidential data; (b) use the Confidential Information solely for the performance of obligations or exercise of rights under this Agreement; and (c) restrict access to such information to employees, Affiliates, consultants, and legal advisors who have a definitive "need to know" and are bound by written non-disclosure obligations no less restrictive than those herein.

8.3 Exclusions

Confidential Information does not include information that: (a) is or becomes publicly known through no breach or fault of the Receiving Party; (b) was rightfully known to the Receiving Party prior to disclosure; (c) is independently developed by the Receiving Party without reference to or reliance upon the Disclosing Party's Confidential Information; or (d) is received from a third party without restriction.

8.4 Compelled Disclosure

If the Receiving Party is legally compelled by a court order, regulatory body, or subpoena to disclose any Confidential Information, it shall, to the extent legally permitted, provide the Disclosing Party with prompt written notice so that the Disclosing Party may seek a protective order or contest the disclosure at its own expense.

9. DATA PROTECTION, PRIVACY, & SECURITY

9.1 Compliance with Data Protection Laws

Both Parties shall comply with all applicable local, national, and international data protection and privacy statutes, including the Digital Personal Data Protection Act (DPDPA), Information Technology Act, 2000, and any successor frameworks. Vendor acknowledges that it acts as a Data Processor or Data Fiduciary intermediary with respect to any Personal Data contained within Customer Data.

9.2 Technical and Organizational Safeguards

Vendor shall implement, maintain, and enforce an enterprise-grade written information security program comprising administrative, physical, and technical controls. Such controls shall meet or exceed the standards established by ISO/IEC 27001, SOC 2 Type II, and the specific mandates enumerated in Schedule C. Vendor guarantees data encryption at rest using AES-256 and encryption in transit using TLS 1.3.

9.3 Data Breach Notification

In the event of any unauthorized access, acquisition, alteration, destruction, or disclosure of Customer Data (a "Security Incident"), Vendor shall notify Customer in writing via electronic mail within twenty-four (24) hours of discovering or reasonably suspecting the incident. Vendor shall immediately take all necessary corrective actions to mitigate the impact of the breach and cooperate fully with Customer's forensic investigators and regulatory disclosure teams.

10. INTELLECTUAL PROPERTY RIGHTS & OWNERSHIP

10.1 Vendor Intellectual Property

Except for the limited right to access and use the SaaS Platform expressly granted under Section 3.1, Vendor and its licensors retain all right, title, and interest, including all global Intellectual Property Rights, in and to the SaaS Platform, the Documentation, underlying source codes, API frameworks, database structures, algorithms, and any subsequent customizations, modifications, or feature updates created by Vendor.

10.2 Customer Intellectual Property and Data Ownership

Customer retains sole and exclusive ownership of all right, title, and interest, including all Intellectual Property Rights, in and to the Customer Data. Customer grants to Vendor a limited, non-exclusive, revocable, royalty-free license to host, process, transmit, and display Customer Data during the Term solely as required to provide the SaaS Platform services to Customer in accordance with this Agreement.

10.3 Feedback License

If Customer or any of its Authorized Users provides suggestions, feature requests, or enhancement feedback to Vendor regarding the functionality of the cloud services, Vendor shall possess a royalty-free, worldwide, perpetual, irrevocable right to exploit and incorporate such feedback into its software offerings without restriction or compensation obligation.

11. MUTUAL INDEMNIFICATION

11.1 Vendor Indemnification

Vendor shall defend, indemnify, and hold harmless Customer, its Affiliates, directors, officers, and employees from and against any third-party claims, demands, suits, or legal proceedings, along with all resulting liabilities,

damages, and legal costs (including reasonable attorney fees), arising out of or alleging that the access or use of the SaaS Platform by Customer infringes the Intellectual Property Rights of any third party.

11.2 Customer Indemnification

Customer shall defend, indemnify, and hold harmless Vendor, its Affiliates, directors, officers, and employees from and against any third-party claims, liabilities, losses, damages, and legal costs arising out of or relating to: (a) an allegation that the Customer Data uploaded or processed within the SaaS Platform infringes the intellectual property, privacy, or proprietary rights of a third party; or (b) Customer's explicit violation of the Acceptable Use Policy set forth in Section 6.3.

11.3 Indemnification Procedures

The indemnified Party must: (a) promptly notify the indemnifying Party in writing of the claim; (b) grant the indemnifying Party sole control over the defense and settlement negotiations, provided that no settlement shall unconditionally bind or admit liability on behalf of the indemnified Party without prior written consent; and (c) provide all reasonable cooperation and assistance requested by the indemnifying Party at the indemnifying Party's expense.

12. LIMITATION OF LIABILITY

12.1 Exclusion of Indirect and Consequential Damages

To the maximum extent permitted by applicable law, neither Party shall be liable to the other Party for any indirect, incidental, special, punitive, exemplary, or consequential damages, including loss of profits, loss of data, business interruption, loss of goodwill, or replacement procurement costs, arising out of or in connection with this Agreement, regardless of the form of action and whether or not such Party was advised of the possibility of such damages.

12.2 General Cap on Liability

Subject to Section 12.3, each Party's total cumulative liability under this Agreement, whether arising out of contract, tort (including negligence), strict liability, breach of statutory duty, or otherwise, shall be strictly limited to the total fees paid or payable by Customer to Vendor under this Agreement during the twelve (12) month period immediately preceding the event giving rise to the liability.

12.3 Exclusions from Limitations

The limitations and exclusions set forth in Sections 12.1 and 12.2 shall not apply to: (a) a Party's explicit breach of its Confidentiality obligations under Section 8; (b) indemnification obligations under Section 11; (c) gross negligence, willful misconduct, or fraud; or (d) non-payment of undisputed fees due under Schedule A.

13. FORCE MAJEURE

Neither Party shall be held liable or deemed in breach of this Agreement for any delay or failure to perform its contractual obligations (except for payment of fees) due to a Force Majeure Event. A "Force Majeure Event" means any event beyond the reasonable control of the affected Party, including acts of God, war, riots, terrorism, embargoes, fire, floods, strikes, national grid failures, widespread internet infrastructure blackouts, or government-mandated quarantines or lockouts.

The affected Party shall provide written notice to the other Party within five (5) business days of the onset of the Force Majeure Event, outlining its expected duration and mitigation plans. The affected Party shall use all reasonable commercial efforts to minimize the delay. If a Force Majeure Event continues continuously for a period exceeding forty-five (45) calendar days, either Party may terminate this Agreement immediately upon written notice without penalty.

14. INSURANCE REQUIREMENTS

During the Term of this Agreement and for a period of two (2) years thereafter, Vendor shall maintain in full force and effect with reputable insurance carriers possessing an A.M. Best rating of A- VII or better, the following insurance coverages:

1. **Commercial General Liability Insurance:** with a limit of not less than ₹100,000,000 (INR Ten Crores) per occurrence and in the aggregate, covering bodily injury and property damage.
2. **Technology Errors and Omissions (E&O) & Cyber Liability Insurance:** with a limit of not less than ₹200,000,000 (INR Twenty Crores) per claim and in the aggregate, covering software errors, system outages, data breaches, and privacy violations.
3. **Worker's Compensation Insurance:** as mandatory under statutory requirements of the jurisdiction where employees are located.

Upon Customer's reasonable written request, Vendor shall furnish certificates of insurance demonstrating compliance with these thresholds. Vendor will provide Customer with thirty (30) days advanced written notice of any material cancellation or reduction in coverage.

15. AUDIT & COMPLIANCE RIGHTS

Vendor shall maintain accurate operational records, security logs, and compliance certifications relating to its performance under this Agreement. At least once per calendar year, or upon reasonable suspicion of non-compliance, Customer or its designated independent third-party auditor (bound by appropriate confidentiality covenants) shall have the right to inspect Vendor's technical documentation, SOC 2 reports, and network vulnerability summaries. Any such audit shall be conducted during normal business hours, with at least ten (10) business days advanced written notice, and in a manner that does not disrupt Vendor's regular day-to-day operations. Customer shall bear the full cost of its audit, unless a material breach or system security deficiency is

identified during the audit, in which case Vendor shall reimburse Customer for the reasonable costs of the audit and remediate the deficiency within thirty (30) days.

16. BUSINESS CONTINUITY & DISASTER RECOVERY

Vendor shall design, implement, and maintain an active Business Continuity and Disaster Recovery (BCDR) plan tailored to ensure the continuity of the SaaS Platform. Vendor's BCDR infrastructure shall incorporate physical redundancy across geodetically separated primary and secondary server nodes. Vendor guarantees the following system performance metrics under disaster scenarios:

- **Recovery Point Objective (RPO):** Maximum of four (4) hours of data loss from the time of system failure.
- **Recovery Time Objective (RTO):** Maximum of twelve (12) hours to completely restore the SaaS Platform to full operational status in the secondary node.

Vendor shall test its BCDR protocols at least once every twelve (12) months and shall provide a summary of the test results to Customer upon request.

17. COMPLIANCE WITH LAWS & REGULATIONS

Each Party shall perform its obligations under this Agreement in strict compliance with all applicable local, national, and international laws, regulations, and ordinances. This includes all relevant anti-corruption and anti-bribery regulations, such as the Prevention of Corruption Act, 1988, the US Foreign Corrupt Practices Act (FCPA), and the UK Bribery Act. Vendor warrants that it does not engage in and will not tolerate any form of corporate bribery, extortion, or unethical kickbacks in its operations. Vendor further warrants that the SaaS Platform complies with all applicable electronic security and cryptographic standards mandated by regulatory agencies overseeing enterprise commerce.

18. TERM, RENEWAL, & TERMINATION RIGHTS

18.1 Initial Term and Auto-Renewal

This Agreement shall commence on the Effective Date and shall remain in effect for an initial period of three (3) years (the "Initial Term"). Upon the expiration of the Initial Term, this Agreement shall automatically renew for successive consecutive terms of one (1) year each (each a "Renewal Term"), unless either Party provides the other Party with a written notice of non-renewal at least ninety (90) days prior to the expiration of the then-current term. Vendor may increase Subscription Fees for a Renewal Term by a maximum of five percent (5%) over the rates applicable in the immediately preceding term.

18.2 Termination for Cause

Either Party may terminate this Agreement for cause immediately upon written notice if: (a) the other Party commits a material breach of this Agreement and fails to cure such breach within thirty (30) days following receipt

of detailed written notice specifying the breach; or (b) the other Party becomes insolvent, enters into liquidation, files for bankruptcy protection, or appoints a receiver over all or substantially all of its assets.

18.3 Effect of Termination and Data Transition

Upon expiration or termination of this Agreement for any reason: (a) Customer's right to access the SaaS Platform shall cease immediately; (b) each Party shall return or destroy the other Party's Confidential Information; and (c) Vendor shall preserve all Customer Data for a transition window of ninety (90) days ("Transition Period") at no extra subscription charge. During this Transition Period, Vendor shall extract and deliver to Customer the complete relational database containing Customer Data in an industry-standard format (such as JSON, CSV, or SQL dump). After the expiration of the ninety (90) day window, Vendor shall permanently delete, purge, and overwrite all copies of Customer Data from its primary and backup servers, providing Customer with a formal officer-signed certificate of destruction.

19. GOVERNING LAW & DISPUTE RESOLUTION

19.1 Governing Law

This Agreement, its construction, validity, performance, and all disputes arising out of or relating to it shall be governed by, interpreted, and construed in accordance with the substantive laws of India, without giving effect to any principles of conflict of laws.

19.2 Executive Escalation

In the event of any dispute, claim, controversy, or disagreement arising under this Agreement, the Parties shall first attempt to resolve the issue amicably through high-level corporate negotiation. Either Party may issue a dispute notice, after which senior executives from each company (e.g., VP or C-Level officer) possessing settlement authority shall meet within fifteen (15) days to discuss a resolution.

19.3 Arbitration

If the dispute cannot be settled through executive escalation within thirty (30) days from the initial dispute notice, it shall be referred to and finally resolved by binding arbitration in accordance with the Arbitration and Conciliation Act, 1996 (as amended). The arbitral tribunal shall consist of a single mutual arbitrator jointly selected by the Parties, or failing agreement, a panel of three (3) arbitrators (one chosen by each Party, and the third appointed by the two chosen arbitrators). The seat and venue of the arbitration shall be Bangalore, India. The language of the arbitration shall be English. The arbitral award shall be final, binding, and enforceable in any court of competent jurisdiction.

20. MISCELLANEOUS & GENERAL PROVISIONS

20.1 Notices

All notices, requests, consents, claims, demands, and waivers under this Agreement must be in writing and addressed to the recipients at the addresses set forth on the first page, with mandatory electronic copies sent to legal@alphacloud.com and legal@novaretail.com. Notices shall be deemed delivered: (a) when delivered by hand; (b) one (1) business day after being sent by a recognized overnight courier service; or (c) immediately upon successful electronic transmission with receipt confirmation.

20.2 Entire Agreement and Amendments

This Agreement, including Schedules A, B, and C, constitutes the entire agreement between the Parties regarding its subject matter and supersedes all prior or contemporaneous discussions, letters of intent, understandings, or purchase order terms. No modification, amendment, or waiver of any provision of this Agreement shall be effective unless executed in writing and signed by authorized representatives of both Parties.

20.3 Severability and Waiver

If any provision of this Agreement is held by an arbitral tribunal or court of competent jurisdiction to be invalid, illegal, or unenforceable, such provision shall be modified to the minimum extent necessary to make it valid and enforceable, and the remaining provisions of the Agreement shall continue in full force and effect. No failure or delay by either Party in exercising any right under this Agreement shall constitute a waiver of that right.

20.4 Assignment

Neither Party may assign, delegate, or transfer this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, either Party may assign this Agreement in its entirety, without consent, to an Affiliate or to a successor entity in connection with a merger, acquisition, corporate reorganization, or sale of substantially all its assets, provided that the assignee assumes all liabilities and obligations in writing.

21. EXECUTION & SIGNATURES

IN WITNESS WHEREOF, the Parties hereto have caused this Enterprise Software as a Service Agreement to be executed by their respective duly authorized officers as of the Effective Date.

SCHEDULE A – PRICING AND COMMERCIAL TERMS

The pricing, subscription limits, and milestone deliverables for this engagement are defined below:

1. Recurring Subscription Fees

Service / Platform Module	Metric / Volume Limit	Annual Subscription Fee (INR)
AlphaCloud Retail Core Engine v5.0	Up to 1,500 Stores / 10,000 Users	₹45,000,000
Advanced Supply Chain Optimizer Module	Unlimited Warehouses	₹15,000,000
AI-Driven Predictive Analytics Add-on	Standard Model Training Included	₹10,000,000
Total Annual Recurring Fees	-	₹70,000,000

2. One-Time Professional & Implementation Services Fees

Implementation Milestone	Deliverable Description	Milestone Fee (INR)
Milestone 1: Blueprint & Architecture	Completion of technical gap analysis & solution design documentation.	₹5,000,000
Milestone 2: Configuration & Testing	SaaS instance provisioning, custom schema config, and UAT ready state.	₹7,500,000
Milestone 3: Data Migration & Go-Live	Successful migration of legacy historical data and formal commercial rollout.	₹7,500,000
Total Professional Services Fees	-	₹20,000,000

SCHEDULE B – SERVICE LEVEL AGREEMENT (SLA)

This Service Level Agreement defines the core performance metrics, response parameters, and service credit allocations guaranteed by Vendor during the subscription lifecycle.

1. Monthly Uptime Formula

The Monthly Uptime Percentage shall be calculated using the mathematical equation below:

$$\text{Monthly Uptime \%} = ((\text{Total Minutes in Month} - \text{Minutes of Unscheduled Downtime}) / \text{Total Minutes in Month}) \times 100$$

Unscheduled Downtime is defined as any period during which Customer's Authorized Users are unable to establish an HTTPS connection to the SaaS Platform api endpoints, excluding Scheduled Maintenance Windows.

2. Service Credits for Availability Deficiencies

Monthly Availability Tier	Service Credit % (Applied to Monthly Pro-Rata Fee)
≥ 99.9%	0% (Standard Compliance)
99.5% to < 99.9%	10% Service Credit
99.0% to < 99.5%	25% Service Credit
< 99.0%	50% Service Credit

3. Support Ticket Severity and Response Matrices

Severity Level	Definition & Impact	Response Window	Resolution Target
P1 - Critical	Complete system outage across multiple major retail hubs; critical data corruption.	≤ 15 Minutes	≤ 4 Hours
P2 - High	Core feature malfunctioning; severe transaction latency affecting store checkouts.	≤ 1 Hour	≤ 12 Hours
P3 - Medium	Non-blocking software bug; specific analytical reports failing to load.	≤ 4 Hours	≤ 3 Business Days
P4 - Low	Cosmetic UI bugs; cosmetic documentation clarifications or queries.	≤ 12 Hours	Next Scheduled Release

SCHEDULE C – TECHNICAL & ORGANIZATIONAL SECURITY CONTROLS

Vendor guarantees the implementation and persistent enforcement of the following comprehensive technical security controls across all operational layers:

1. **Infrastructure Auditing:** Vendor shall maintain valid SOC 2 Type II and ISO/IEC 27001 certifications throughout the entire lifecycle of this Agreement. External independent security audits shall be performed at least annually.
2. **Data Cryptography:** All Customer Data residing in database tables, file shares, or physical cache drives shall be encrypted using advanced AES-256 (Advanced Encryption Standard). All data payloads in movement across external public or internal private networks shall be encrypted utilizing TLS 1.3 or higher.
3. **Identity Management:** Access to Vendor's administrative management layer requires corporate Single Sign-On (SSO) integrated with Multi-Factor Authentication (MFA). Role-Based Access Control (RBAC) frameworks ensure that only engineers assigned to Customer's designated account can access isolated application containers.
4. **Vulnerability Management:** Vendor shall run weekly automated static application security testing (SAST) and dynamic application security testing (DAST). Independent professional third-party network penetration testing shall be performed once every twelve (12) months.
5. **Physical Layer Security:** Production hosting data centers must utilize biometric scanning barriers, continuous closed-circuit television (CCTV) tracking, and 24x7 specialized security guards at all physical perimeter zones.
6. **Logging & Monitoring:** Comprehensive auditable security logs tracking user access, command executions, configuration updates, and permission modifications shall be recorded and maintained in immutable containers for a minimum retention window of three hundred and sixty-five (365) days.
